### SmartSAFE

With the **Anti-Theft System**, the Smart Key takes control over the protection of your scooter and it will be automatically locked when the Smart Key goes out of your Activa's range.

### SmartFIND

Click on the **Answer Back Button** on your Smart Key, and all the four indicators of your Activa will blink twice. It can be easily located even if it is as far as **10 meters!**

### SmartSTART

Push the knob when the Smart Key is within **2 meters** of your Activa, the LED Smart Key indicator of Activa's speedometer goes on. **Rotate the knob for ignition** and **press the start switch** to start your ride.

### SmartUNLOCK

When the Smart Key is within the **2 meter range** of Activa, you simply have to push the switch and your **seat, fuel cap and handle** can all be unlocked just like that.

### ALLOY WHEELS

With every rotation, these wheels make a statement that is **strong yet stylish**. They also provide better heat conduction. You can now ride in style with an utmost level of comfort.

### FUEL EFFICIENT TYRES

Honda has developed a new **Tyre Compound Technology** that greatly **reduces rolling resistance** to maintain the road grip. The tyres are **tubeless** to avoid deflation.

## +Technical Specifications
